Maria, I understand that we should be inviting someone from the state and OECA. Who should that be? Also, is there anyone else you want invited? I have contacted the Company and said that we needed to have the call this week, but my contact Dawn Clark had to talk with others involved in the call(s) last week. I have relayed this information to Greg S. I thought that I should send this out so that

I will set up a premeeting at this point at 10:30 AM on Wed. Greg M. and Toni are out today.
